ACTION TAKEN REPORT FOR PTA MEETING CONDUCTED ON 14/02/24

Sr. No	Problem/Suggestion	Action Taken and Outcome Analysis	Unresolved Problems
1.	Difficulty in completing clinical quota	Parents and students were informed that the DCI and MUHS designed the clinical quota for each year and every department. It can get completed within stipulated time if the student abides to the check list and attends regularly	None
2.	Preparatory leave before examination	The parents were informed that the institute follows MUHS rules. Any information regarding preparatory leave received from university would be displayed on the notice board.	None
3.	Compulsory internship in same college	Parents were informed that internship was not compulsory in the same college. Students could apply in any other college depending on merits and availability.	None
4.	Not able to correlate pre-clinical exercises with clinical methods.	Parents and students were assured that additional guidance and teaching would be undertaken to make the transition easier.	None
5.	College should provide patients for exam.	The majority of patients would be provided by college and individual departments would be asked to guide and help.	None
6.	Surgical and medical ward's location and availability were confusing for the students.	Parents were assured that medical faculty of dental college would always accompany students to medical and surgical ward in the civil hospital	None
7.	Hostel food is oily.	The hostel in charge along with the hostel committee were instructed to see to the matter.	None

ACTION TAKEN REPORT FOR PTA MEETING CONDUCTED ON 17/02/24

Sr. No	Problem/Suggestion	Action Taken and Outcome Analysis	Unresolved Problems
1.	About non availability of left-handed chair in each department.	Parents were assured that the complaint will be looked into.	None
2.	Kindly consider late arrival of students at time due to vehicle issue.	All departments were informed to consider late arrival of students for 1 st lecture /practical of the day to prevent them from having low attendance. A delay of 10 mins would be permissible.	None
3.	Maintenance of cleanliness in washroom	Maintenance supervisor was asked to have regular monitoring of washroom and to keep handwash availability in were the washroom.	None
4.	Clarity in procedure for taking hostel leave.	The principal along with the male and female hostel warden gave a detail explanation regarding the process for easy approval of hostel leave.	None
1.	Difficulties in completion of clinical quota.	Parents and students were informed that the DCI and MUHS designed the clinical quota for each year and ever department. It can get completed within stipulated time if the student abides to the check list and attends regularly	None
6.	Methods to improve student performance.	Parents were assured that the additional tutorials and remedial classes were being conducted for the same,	None
7.	Restrict mobile phone usage.	Parents were informed that in most of the departments students were asked to surrender the mobile phone in the HOD cabin at start of the clinic. Hence mobile phone usage during working hours was restricted.	None
